Plaintiff Motion to Withdraw Document

Plaintiff asks the Court to Withdraw his filing labeled Motion for Leave to File (ECF 35) filed on November 1st, 2022. It does not meet the civil rules of procedure required of a Motion for Leave to File Amended Complaint. Plaintiff has done more research and will be filing a proper Motion for Leave within the seven days granted by the Courts Order (ECF 33). Plaintiff is not attempting to

delay anything just make sure his filings meet the rules of procedure. Should the Court find the Motion for Leave filed November 1st, 2022 (ECF 35) sufficient to proceed then Plaintiff asks the Court to disregard this Motion and allow the original Motion for Leave to File Amended Complaint (ECF 35) to stand. Plaintiffs only intention in asking to withdraw it is to ensure that his Motion for Leave is granted, and not denied based on technicalities. Plaintiff will immediately refile his Motion for Leave to File Amended Complaint as soon as the Court rules on this Motion.

WHEREFORE, Plaintiff prays that the relief requested through this Motion be granted.
